Is Nina Jancowicz merely a frustrated Broadway showtunes songstress or is she a dangerous subversive operative working to undermine the U.S. government from within? In this report, Jason Goodman of Crowdsource the Truth reveals unimpeachable evidence indicating Nina may actually work for the Zelenskyy government, has received numerous payments to a shadowy LLC from non-U.S. NGOs and has failed to register under the foreign agent registration act. Hear Nina herself, and her colleagues at The Brookings Institution, The Wilson Center and others as Goodman teases out admissions that almost certainly lead to the immediate dissolution of the Orwellian Disinformation Governance Board. She's a spook. Likely CIA. A disinfo expert in the sense that her amateur acting skills are used to advance disinfo on behalf of the Deep State/Globalist American Empire. That little Youtube production reeks of CIA astroturfing.

I am unsure if you read these or not, however, Miss Jankowicz seems to have a family member that works (worked?) for J&J and would have been in the pipeline during the time that the vaccine was being pushed through.

Kim V Jankowitz (not a misspelling) Associate Director, Regulatory Affairs - Pharmaceuticals @ J&J

Janessen (an arm of J&J) worked on the vaccine in conjunction with Beth Israel Deaconess Hospital.

One of the videos removed from that site you pulled up on the Wayback Machine was Nina doing karaoke. (She's rather vulgar in it)

Controlled distribution of a message. If "they" want something to go viral they will make it go viral. If they do not want many people to engage with a message they suppress it or shadow it to those "in the know".

She resigned from the Disinformation Board they put on hold.

Whether she is an agent or not, she's a nutcase that I suspect has never even read the Constitution.

I found it interesting that her job was "paused" a day after you mentioned this foreign agent aspect on Lee's show. Great work Jason!!

brilliant! The Ukrainian 72nd Center for Information and Psychological Operations, is a military unit of the special operations forces of Ukraine (until 2014 was part of the intelligence of the Ukrainian Navy).
